Subject: FY22 3B4D Funded Programs

Good afternoon,

Just an update on the FY22 3B4D.

MCIWEST HQ is still working with the holders of this funding regarding getting it set up and usable. We received the following request earlier today: "Change number 5 with regards to executing 3B4D funding. The Keeper of these funds is requesting that Reviewer's and Certifiers be identified for executing against their Project's/Task."

They also asked that a DD577 be completed. MCIWEST see no reason to do an additional form so they are pushing back on that request, more to follow if necessary. Mr. PerezArce already has one on file for DAI, so we currently have the reviewer/certifier set up as found below:

PROJECT NUMBER (25) Reviewer (Last, First, MI)	PROJECT NAME (30) Certifier (Last, first, MI)

As for the FY21, we are still not seeing the POET structure established in DAI, however, I believe they are close as we were asked to re-submit POETS for FY17 - FY20, but not to touch FY21 as they have been processed. I'm hoping to see them soon.

Thanks,
